

widget

```
classDiagram
    widget <|-- container
    container <|-- layout
```

A UML class diagram illustrating inheritance. It consists of three rectangular boxes arranged vertically. The top box is labeled 'widget'. The middle box is labeled 'container'. The bottom box is labeled 'layout'. A vertical line connects the bottom of the 'container' box to the bottom of the 'widget' box, with an open triangular arrowhead pointing towards 'widget'. Another vertical line connects the bottom of the 'layout' box to the bottom of the 'container' box, with an open triangular arrowhead pointing towards 'container'.
